Dear Applicant,

We're happy that you are interested in attending a program at The Rowe Center. Enclosed is the Scholarship Application you requested. Please fill it out completely and accurately and return to the address on the form or email it to arthur@rowecenter.org.

Scholarship funds have been provided by a generous grant from the Angell Foundation. The Angell Foundation builds upon the charitable promise of David and Lynn Angell by promoting and advancing high-impact programs that help people empower themselves.

Financial need and diversity are the primary criteria for this program. The deadline for applications is one month before the program begins. While we provide both full and partial scholarships, in order to insure that everyone has access to Rowe programs, we also offer work-exchange. Decisions for financial aid are made on a case-by-case basis and determined by how many applicants we have and how much assistance is available. We ask that those who are applying for a scholarship pay what they can afford to pay and also do some work-exchange if they are physically able. This helps us to give more people the opportunity to attend our programs.

We are grateful to the Angell Foundation for making this possible.

In peace, The Rowe Staff

ANGELL FUND APPLICATION
