Dear Rowe Members & Friends

June 1, 2024

On behalf of Rowe Camp and Conference Center's Board of Trustees, I am very pleased to announce a national search for Rowe's next Executive Director.

Rowe is an historic camp and retreat space in the mountains of northwest Massachusetts that builds community and transforms lives by creating opportunities for people of all ages to explore, reflect, grow and play. Our vision: a world filled with people who are actively creating inclusive, participatory communities filled with joy, respect, love ... and a little bit of weirdness.

Our search for Rowe's next Executive Director comes at a momentous time. As we mark our centennial year and reflect back on the many decades of rich, human-centered programming Rowe has provided over the past 100 years, we now look to Rowe's future. Our next Executive Director will be a visionary leader and operational steward who will carry on our mission and help lead Rowe into its next century. The next Executive Director will lead Rowe's dedicated staff to create a welcoming and loving atmosphere for all our campers and guests who make Rowe a part of their lives. The Executive Director will also play a key role, along with the Board and other Rowe stakeholders, to develop and execute a bold and creative strategic plan. This plan will lay out a clear vision and actionable goals for thriving summer camps and year-round workshop/retreat programming that sustains Rowe, builds community and transforms people's lives.
